LAPS AROUND THUNDERHILL RACEWAY!"

Willows has this unique attraction, Thunderhill Raceway. This year we are incorporating the Friday night Parade and Cruise with parade laps around Thunderhill. These will be moderate laps (about 50mph) behind a pace car, NO Passing, NO exhibition of speed. These laps are intended to give the drivers and rides the experience of driving on a racetrack and to experience Thunderhill Raceway.

After approximately 30 minutes of driving on track we will then cruise to Jensen Park in Willows and stage for the Show & Shine and the Friday night Parade.

This will be a great experience if you have never done this, we encourage everyone to participate.
